

## DR-Com Crane Kits With Top Mounted Endtrucks

Demag Crane Kits are the most efficient and economical way for independent crane builders to construct a crane utilizing DR Hoist technology. Our kits include a DR-Com hoist, top mounted endtrucks, drives, tagline, electrification, and controls. The material procurement and construction of the girder is done locally, saving you shipping and construction costs. Demag also provides detailed engineering specifications needed to complete girder fabrication and crane assembly, and each standard DR-Com Hoist comes with full technical data and quick-disconnect electrical connections.

### Demag provides:

- ▶ Voltage 460V / 60 Hz
- ▶ DFW – Bas Endtrucks
- ▶ Festooning with Plug in Connectors, Bolt on Brackets and KBK 25

### Standard features include:

- ▶ 4 lifting capacities: 3.2, 5, 7.5 & 10 ton
- ▶ Hoist contactor controls: 115V
- ▶ High cycling brake motors
- ▶ 2 speed hoist
- ▶ 2-speed trolley
- ▶ 2-speed bridge travel
- ▶ High cycling brake motors
- ▶ 4 position gear limit switch
- ▶ Includes standard DST pushbutton station
- ▶ Electro mechanical overload protection
- ▶ Close headroom single girder trolleys

### Accessories:

- ▶ Girder mounting hardware
- ▶ Hoist & trolley bumpers
- ▶ Trolley tow arm
- ▶ Bridge collector bracket

### Options:

- ▶ Radio
- ▶ Variable speed trolley
- ▶ Variable frequency bridge travel

### Documentation:

- ▶ Girder construction beam recommendations and fabrication time estimates
- ▶ Technical data and instructions for assembly
- ▶ Drawing and pricing supported via simple-to-use-quotation system
- ▶ Complete list of what is provided in the kit
- ▶ Professional, convenient and easy-to-use packaging

Girder beam not included in kit.

## DR-Com

The right hoist for your application.

### Use it when you require:

- ▶ Contactor controls
- ▶ Economical hoist solution
- ▶ Standard 115v pushbutton station (included with kit)
- ▶ Other brands of radio controls
- ▶ Two speed hoist and trolley
- ▶ Quick delivery
- ▶ Variable frequency control bridge travel (ramp and hold)

## Demag Xpress Program

- ▶ 5-day delivery for rope hoists and crane kits
- ▶ 2-year parts warranty
